# I.LIFE

## VANITY UNITS AND COLUMNS.

Designed by Palomba Serafini Associati, the *i.life* collection comprises three distinct offerings: i.life B, S and A, each with their own design character and features, but all crafted with the same philosophy in mind – offering accessible and outstanding solutions for everyday life.

For maximum design flexibility, *i.life* vanity units are available in a wide choice of sizes and configurations, with one and two-drawer options, all with soft closing to give a feel of quiet luxury. A selection of matching column units complements the offer.

All *i.life* furniture comes in a choice of seven stylish finishes, including Matt Sand Beige, Matt Carbon Grey and Natural Oak, as well as handles in Chrome and Silk Black.

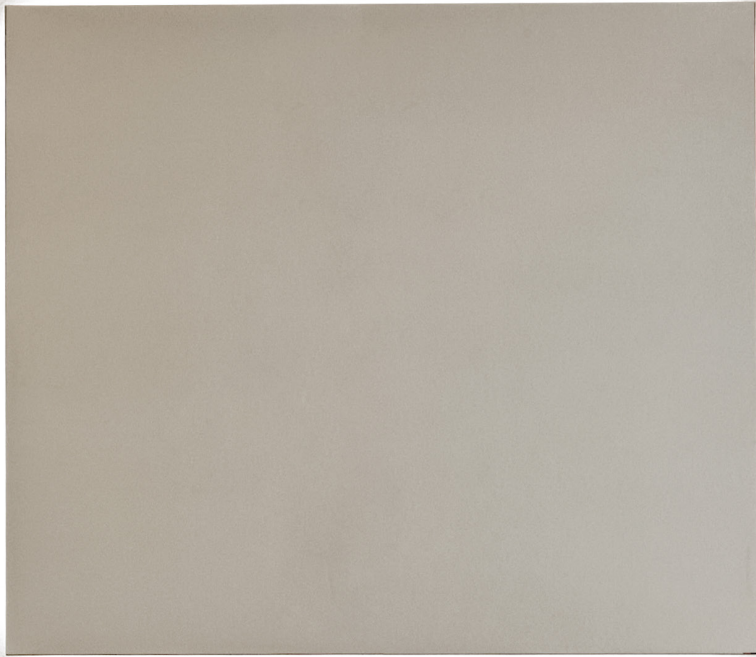

Thanks to Ideal Standard's commitment to sustainability, 100% of the wood used in our furniture comes from sustainable sources and is FSC and PEFC certified.
